Further details on Start call rates can be found at

www.startbroadband.com.au/callrates.

Home Phone Line connection

If you require a Home Phone line connection the following charges apply. These charges are passed on at cost from our suppliers:

- Transfer existing line \$0 – churn an existing active line to Start
- Standard connection \$59 – where the line is inactive but a physical line with a dial tone exists
- Technician connection \$125 – where a technician is required to connect your Home Phone line
- New Home Phone line connection \$299 – where a completely new line or cabling work is required

Moving Home

Start will relocate your service in the event you move home. If you are within your contract period, the relocation cost will be equivalent to the new customer set-up cost on the plan you select at your new address.

Standard phone connection charges may also apply at your new address.

Early Termination

If you choose to cancel your Start Bundle within your contract period you will be charged an early termination fee equivalent to the number of months remaining on your contract multiplied by the lowest cost Start Bundle available, up to a maximum of 6 months.

Currently the lowest cost bundle is the Start Everyday Bundle for \$65 per month.

Transferring to the nbn™

When the nbn™ rollout reaches your area Start will transfer your service at your request without any charge, irrespective of whether you are within your contract period.

If you wish to remain on your existing Start Bundle (ADSL & PSTN) you can do so up until the point Start are required to disconnect the legacy services in the area (ADSL & PSTN).

More information on the nbn™ rollout can be found at www.startbroadband.com.au/nbn.

Billing

Once we have confirmed when your new service will be connected, Start will direct debit one month's subscription fees along with any applicable set-up or modem costs. These amounts will be credited to your first bill.

Once your service has been activated your Start bill will be issued via email to your nominated email address in the first week of every month and direct debited from your nominated account around the middle of that month.

Your first Start bill will include a full month's charge for your minimum monthly Start Bundle commitment, plus a pro-rata charge for the days remaining until the next billing cycle commences and any set-up, modem or installation costs incurred on your account. This often results in the first bill being higher than the ongoing monthly bills.

Further details about your bill, can be found at: www.startbroadband.com.au/mybill.

Please note that a late payment fee of \$19.95 may be applied for bills not settled by the due date.

Changing your Start Bundle Plan

You can change your Start Bundle plan once per month. If you are contracted on a Start Unlimited Bundle you can move down to a Start Everyday Bundle for a \$15 once off charge.

If you are contracted on a Start Everyday Bundle you can move up to a Start Unlimited Bundle without charge.

If you have moved from a Start Everyday Bundle to a Start Unlimited Bundle you are free to move back to a Start Everyday Bundle without charge.

If you are no longer in your contract period you can move between Start Bundle plans at a maximum of one plan move per month without charge.
